(Managed by Health & Care Foundation)

## RANGOLI COMPETITION

A splash of vibrant hues against the sterile white walls, an explosion of artistic talent amidst the hushed whispers of the medical ward – that's what the Rangoli competition at HCF Hospital by staff members was all about. This unique event was organized at Hospital and all staff joined.

The competition saw a diverse range of participants, each with their own story to tell through the intricate patterns and symbolic motifs.

## ONE YEAR SUCCESSFUL COMPLETION ANJANEYA READING CENTRE

We celebrated on 24th November, 2023 at HCF one year completion of Anjaneya Reading centre for students appearing for competitive exams a year ago, in which many students have registered and attained jobs successfully.
